

VANITIES

VANITY COMMON FEATURES

CONTENTS

Gatsby P04-P05

Elevate your space with Gatsby, where 1920s opulence meets mid-century modern design. This statement piece blends Jazz Age decadence with sleek, clean lines, crafted from premium materials for lasting luxury. With flawless gold accents, Gatsby adds a touch of brilliance and sophistication to any bathroom.

Serenity P06-P07

Create your personal oasis with Serenity Vanity. Its clean lines and calming design offer a tranquil atmosphere for both starting your day and unwinding after it. Choose between top only or top and bottom designs. Serenity brings a touch of tranquility and relaxation to your bathroom.

Legacy P08-P09

A blend of timeless design and superior craftsmanship, the Legacy Vanity offers enduring beauty and functionality. Its versatile style suits both transitional and contemporary homes, making it a true legacy of elegance.

- **Solid wood construction**

All designs are constructed, assembled and finished by hand using the kiln-dried hardwoods, plywood and wood veneer lamination

- **Top included**

All marble composite tops come with back splashes, and are finished and sealed to prevent stains and water marks

- **Sinks included**

cUPC certified ceramic sinks, pre-installed to the top. Measurement: 17"L x11 3/4"W x7 3/4"H

- **Drawers**

Constructed with solid wood with dovetail joints

- **Resistant to high humidity environments**

Superior craftsmanship and materials resist humidity to eliminate warping

- **Water-resistant coatings**

The vanity is finished inside and outside by the water-resistant coatings for superior moisture resistance

- **Premium soft-close drawer glides**

Offer you a smooth and quiet drawer close

- **LED ambient lighting**

Warm light strip is installed on the bottom of the vanity to provide ambient lighting

Gatsby™

The Gatsby collection invites you to indulge in the elegance and charm reminiscent of the Great Gatsby himself, while embodying the clean, sophisticated lines celebrated in mid-century modern design. Gatsby transcends functionality to become a statement piece in luxury plumbing. Crafted with meticulous attention to detail, the gold accents adding a touch of opulence to every bathroom setting Gatsby captivates with its bold juxtaposition of black and white hues. This harmonious blend creates a timeless elegance that complements any interior style from classic to contemporary.
